BOARD OF MANAGEMENT STUDIES

BUILDING A NEW WORLD

The collage features a large central image of a modern, multi-story building with a wide staircase and a sign that reads "BOARD OF MANAGEMENT STUDIES". Below this, there are several smaller images showing various construction projects, including a large building under construction, a modern building with a glass facade, and a building with a curved roof. The text "BUILDING A NEW WORLD" is overlaid on the collage.

NAFSA: ASSOCIATION OF INTERNATIONAL EDUCATORS

NAFSA2018

ANNUAL CONFERENCE & EXPO

Diverse Voices • • • • • Shared Commitment

MAY 27-JUNE 1 • PHILADELPHIA, PA USA

**Network with
International
Educators**

**Reach Key
Decision-Makers**

**Explore Branding
Opportunities**

The NAFSA 2018 annual conference & expo promises to be one of the largest global gatherings with international education. More than 4,000 international educators are expected to attend from over 100 countries. The Expo will provide a wealth of opportunities to develop a strategic partnership for your organization.

At the NAFSA annual conference, you will do more than simply "show and display" emerging hands in student mobility, establish new partnerships, participate in networking opportunities, and identify upcoming marketplace needs.

Join us in Philadelphia and showcase your services to key leaders and decision makers in U.S. higher education, and international education economy.

Education Promotion Society for India (EPSI) is not for profit autonomous society with mandate from universities and institutions as its Members. EPSI is working for establishing an interface platform for stakeholders to enable all concerned to deliberate on the issues and concerns of the sector to raise education quality and attain benchmarks, standards of the national and international level. Policy Advisory, Accreditation, Certification, Faculty Development Programmes, Consultancy for creating model institutions etc. are some of the key areas, where EPSI is working with trust on quality, relevance and success.

www.studyvidya.com is set to become the first authentic and informative portal to promote higher education in India to international as well as domestic students. It is intended to be the single platform on which all the education providers from colleges will have a presence and becoming a partner institution will bring young benefits. StudyVidya.org will list all the Universities & Colleges and the courses they offer. The rankings of colleges, the research fields available and the job opportunities offered will also be showcased on this portal.
